

# “From the Field”

## NSW SPC Professional Learning Webinar Series

***A series of 45-minute Professional Learning webinars developed & delivered by the NSW Secondary Principals' Council***

The webinars are conducted via Zoom and accessed by registered participants. Course material is made available to participants and the webinars are recorded and are also made available to registered participants.

Course presenters are current SPC Principals sharing an overview of a high-quality program and / or providing practical advice in relation to current issues.

Short, sharp, single focused professional learning coming direct from colleagues in schools.

### Business Partners

## Topics

These vary and are generally driven by “point in time needs”.

Past webinars have included such topics as:

Finance Essentials

Tips on Staffing

Developing Student Voice

Maximising your use of SENTRAL

Maximising HSC Results

Working with Canvas

Mindfulness

Sustainability

And so much more. To date SPC has delivered 16 of these webinars.

## Delivery

Online. 30-minute presentation, followed by 15 minute Q&A

## Locations

Delivered via Zoom. Usually twice per Term

## Options

Because sessions are recorded, and the recordings include the presenter’s PPT material, participants unable to attend at the designated time can register and then view the recording at a later date.
